Dear ,

Thank you for your \$28.00 gift to the American Red Cross to support where our need is greatest. This gift helps people down the street, across the nation and around the world through our vital programs and network of more than 700 chapters and Blood Services regions.

Your generosity empowers the Red Cross to provide critical services when and where they are needed most. The Red Cross is there to help families and communities prevent, prepare for, and respond to emergencies. The Red Cross collects, screens, processes, tests and transports blood donations to provide nearly half of the nation's blood supply. Our chapters train nearly 15 million people in vital lifesaving skills such as first aid, CPR and disaster preparedness training each year.

In addition to the these services, the Red Cross also offers programs such as tracing and messaging to reconnect loved-ones who have been separated, and our services to the Armed Forces that provide emergency help for soldiers, veterans and military families.

Thank you for being an essential part of the Red Cross mission.

Sincerely,

The American Red Cross
